### About Me

Rebecca Stichter, MSN, BSN, is a certified family nurse practitioner at Goshen Physicians Family Medicine New Paris. She works alongside Edward Boyts, MD, to care for patients of all ages – from newborn to senior citizens. Becky's treatment expertise covers a broad spectrum from routine exams and preventive medicine to ongoing management of chronic conditions and illnesses.

### Philosophy of Care

Becky encourages her patients to take an active role in their care. By working together, she guides and educates patients on treatment options that best meet their needs. To help patients protect and maintain their health, Becky places a high priority on preventive health care. She helps her patients understand the importance of regular screenings and immunizations that help maintain their health and well-being.

### Research/Clinical Interest
