Biography

Dr. Liz Nafziger is a board certified neurologist at NeuroCare Center Goshen Physicians. She is fellowship trained in hospice and palliative medicine. Dr. Nafziger treats a range of neurological conditions, including headache, movement disorders, multiple sclerosis and stroke. She provides symptom management for patients with serious illnesses and assists with advanced care planning.

During Dr. Nafziger's residency training, she served as chief resident of the Department of Neurology at the University of Michigan.

Philosophy of Care

Active listening and communication are vital to Dr. Nafziger's approach to care. She believes in shared decision-making with patients to provide treatment that fits their values, goals and individual needs.
