Biography

George Potter is a licensed and board certified athletic trainer at Goshen Physicians Orthopedics & Sports Medicine. He supports the athletic training program at Goshen High School in Goshen, IN. George works closely with student athletes to prevent sports injuries and perform at a high level in the activities they enjoy.

Philosophy of Care

Education plays an important role in George's approach to care. He helps athletes understand how to recover from sports injuries, reduce their time away from physical activities and protect their long-term health and function.

Research/Clinical Interest

- Emergency care during sporting events and practice sessions
- Preventive care
- Injury prevention
