Biography

Jacob Nolan is a certified physician assistant at Urgent Care Goshen Physicians. He treats patients of all ages who need immediate care for minor illnesses and injuries. His clinical training gives Jacob the skills to quickly assess patient needs, prescribe medicine and perform minimally invasive procedures. Jacob also has specialized training in orthopedic and cardiac care.

Away from clinical practice, Jacob loves his family time. Activities he enjoys range from listening to medical podcasts and learning Spanish to playing the piano and working on cars. His sports interests include snowboarding, skateboarding and acquiring an appreciation for his in-laws' love of Steelers football.

Philosophy of Care

For Jacob, respect for each patient's preferences comes first. He meets patients where they are in understanding their health needs and encourages them to take an active role in treatment decisions.
