Biography

Elise Sharkey, PA, is a Physician Assistant at Goshen Center for Cancer Care. She assists the surgical oncology team during and after surgeries for patients with lung, liver, colorectal, and other cancers. In collaboration with surgical oncologists, Elise offers a continuum of care for patients from the initial patient evaluation through post-surgery follow-up.

Philosophy of Care

Elise takes a compassionate approach to understanding patients and their individual health care preferences and goals. She supports patients every step of the way as she helps them understand their complex diagnoses, make decisions about their care, and manage their disease.

Research/Clinical Interest

- projections
- Help in complex surgeries
- Helps with minimally invasive procedures, such as laparoscopic surgeries.
- Postoperative management
