Biography

Dr. Chelsea Wolf is a board certified family medicine physician at Goshen Physicians Family Medicine Syracuse. She provides comprehensive health care for patients across all ages, from newborns and adolescents to young adults and older generations.

Services Dr. Wolf offers range from preventive care to chronic disease management. She holds a special interest in women's health and family planning as well as diabetes and insulin management.

Originally from a small community in northeast Iowa, Dr. Wolf is passionate about rural medicine. Her medical training has given her opportunities to care for residents in small communities across the southeast. At home in Indiana, Dr. Wolf appreciates family moments with her husband and their chocolate lab named Zeus.

Philosophy of Care

Dr. Wolf takes a holistic approach to care that addresses the mind, body and spirit of a patient. She is dedicated to getting to know patients and celebrating their individuality. By forming a partnership with patients, Dr. Wolf encourages shared decision-making and respect for each patient's needs and concerns.
