### Biography

Dr. Justin Lightburn is an Interventional Radiologist at Goshen Hospital. He performs vascular, non-vascular and interventional oncologic procedures at Goshen Hospital, Elkhart General Hospital and LaPorte Hospital. He serves as chairman of interventional radiology for all three hospitals, and as the Director of Interventional Radiology for Goshen Hospital. He is an executive board member for Radiology, Inc., Mishawaka, where he helps set policies for physicians.

Dr. Lightburn specializes in endovascular and interventional oncology procedures. His endovascular procedures include common carotid artery stent placements, carotid ultrasounds, stenting, ablations and venography. He treats peripheral artery disease, vascular malformation, carotid artery disease, aortic aneurysm, cerebrovascular disease and venous insufficiency. His interventional oncology procedures include radioembolization of tumors, chemoembolization of tumors and percutaneous ablation of tumors.

### Philosophy of Care

Dr. Lightburn focuses on each patient's needs and values mutual communication to provide the best possible care.

### Research/Clinical Interest

- Peripheral artery disease
- Cerebrovascular disease
- Aortic aneurysm
- Carotid artery disease
- Venous insufficiency
- Vascular malformation
- Interventional Oncology
- Peripheral Interventions

### Techniques/Procedures

- Interventional Oncology procedures include, radioembolization of tumors, chemoembolization of tumors, percutaneous ablation of tumors
- Endovascular procedures, include common carotid artery stent placements, carotid ultrasounds, stenting, ablations and venography
- Peripheral arterial balloon angioplasty and stent placement
- CT guided biopsy
- Peripheral angiogram
- Endovascular aortic repair
- Visceral angiograms
- Visceral arterial coiling
- Vertebroplasty

### Education

Certifications:

Interventional Radiology Certificate of Advanced Qualification  
American Board of Radiology

Education and training:

Doctor of Medicine  
Indiana University School of Medicine | Indianapolis, IN

Residency:

Diagnostic Radiology  
Indiana University School of Medicine | Indianapolis, IN

Fellowship:

Interventional Radiology  
Indiana University School of Medicine | Indianapolis, IN

Internship:

General Surgery  
Indiana University School of Medicine | Indianapolis, IN
