Biography

Dr. Matthew Norton is board certified in osteopathic medicine and specializes in internal medicine at Goshen Physicians Family Medicine Keystone. He manages the medical care for adult patients with a wide range of health conditions, such as heart disease, diabetes and chronic wounds.

Dr. Norton previously served as a hospitalist to provide care for patients when they are in the hospital. He recognizes the importance of coordinating care among all medical providers to help the patient achieve the best possible quality of life.

Philosophy of Care

Dr. Norton takes a holistic approach to medical care for patients. He focuses on the patient as a whole, not just a specific site of the body. By understanding the relationship of all the organs of the body, Dr. Norton provides complete care to promote overall wellness for the patient.
