About Me

Colleen Shay is a board certified Family Nurse Practitioner with Goshen Physicians Family Medicine Keystone. She provides care for patients of all ages, from newborns to seniors. In addition to wellness exams and routine preventive care, Colleen treats patients with common illnesses such as colds and flu. She also helps patients manage chronic conditions including diabetes, heart disease and high blood pressure.

Philosophy of Care

Strong patient and provider relationships are the foundation of Colleen's approach to care. She also works closely with doctors and other providers to ensure patients receive complete care for their medical and emotional needs.

Research/Clinical Interest

- Preventive care and wellness
- Common illnesses
- Chronic diseases and management, including diabetes, heart disease and high blood pressure
