About Me

Ingrid Bowser, MSN, ANP-BC, AOCNP, ACHPN, is an advanced oncology certified nurse practitioner for the Goshen Center for Cancer Care team. As a certified health care life coach, she plays a key role in developing survivorship and palliative care programs. In addition to fostering high quality care to all patients, Ingrid focuses on enhancing available care options through advanced research and education. She is an active writer and speaker who advocates supporting patients and caregivers as they navigate their way through the complex management of a cancer diagnosis.

Philosophy of Care

Ingrid balances the intricacies of acute cancer care treatments with the palliative care required for her patients and their families. She is dedicated to supporting her patients and fellow caregivers as they make the journey through a cancer diagnosis. Ingrid believes that each patient's experience is unique as is the care that they require. She strives to help her patients focus on healing the body, mind and spirit.
