### Biography

Michael Hartman is a board certified and fellowship trained orthopedic spine surgeon. He specializes in all types of surgeries along the neck, middle and lower back areas of the spinal column.

Dr. Hartman's experience as an orthopedic surgeon spans two decades. For most of his career, he has been affiliated with specialty practices in northern Indiana. He also has dedicated his services in comprehensive spine care to developing countries, particularly Laos.

### Philosophy of Care

Dr. Hartman believes in treating patients as if they are family members. He builds trusted relationships with patients to identify a treatment approach that fits their individual needs. Dr. Hartman explores all treatment options with his patients before considering surgery.
